STUDENT RESPONSIBILITIES:

Attendance and Exam Policies:

Attendance at lectures is strongly encouraged, as is your participation in class discussions and group discussions. Class attendance is useful for two reasons. First, class attendance maximizes a student's learning experience. Second, attending class is a good way to keep informed of matters relating to the administration of the course (e.g., the timing of assignments and exams). Ultimately, you are responsible for your learning and performance in this course.

It is the responsibility of each student to be prepared for all classes. Students who miss classes are responsible for the material covered in those classes by asking fellow students for the material covered, and for ensuring that they are prepared for the next class, including the completion of any assignments and/or notes that may be due.

PLEASE NOTE:

To be fair to everyone in this course, **I will not alter the evaluation**, so any missed testing or assignments will not be accommodated.

STATEMENT ON ACADEMIC MISCONDUCT:

Academic Misconduct will not be tolerated. For a more precise definition of academic misconduct and its consequences, refer to the Student Rights and Responsibilities policy available at <https://www.nwpolytech.ca/about/administration/policies/index.html>.

**Note: all Academic and Administrative policies are available on the same page.

If you are scheduled to attend lectures or have other commitments during my office hours, please contact me by e-mail for an appointment.

- Instead of preoccupying your mind with questions such as, “how do I get an ‘A?’” Instead, ask yourself, “how can I work to expand my knowledge, perspective, and outlook on the real world?”
- Please only use your **NWP e-mail account** to avoid having your message blocked by SPAM filters.
- Always include “SO 2710” in the subject line (or I may never even receive your message).
- Finally, in our academic environment, please practice writing e-mails formally, as you will need to do regularly upon graduation. For example, use a simple greeting, do not use slang or abbreviations, and always sign off with your name.
